Offering Bikshavandanam to Guru is considered a God sent opportunity. It invokes and seeks the blessings of the Guru and provides solace and a sense of satisfaction. Devotees living far and wide have the desire to offer Bikshavandanam but are prevented by space and time. In addressing this desire of the devotees, HH Balaperiyava, has consented to accept a fixed date of every month to be dedicated to a country or region as their Bikshavandanam date. Accordingly, a monthly calendar on Uthrashaada उत्तराषाढा nakshatram date is

considered appropriate as a day to be earmarked for each country. The coordination points for this activity are as under:

Samashti Pujai Expenses

For every Samashti, a fixed amount of ₹ 20000/- (Rupees Twenty Thousand Only) is required to be remitted per country earmarked, at least 10 days prior to the scheduled date. The breakup of the amount ₹ 20000/- is Rs. 5000/- for Bikshavandnam Pujai and Rs. 15000/- towards Annadanam. No additional money is required nor solicited. The country coordinator is responsible to ensure that the prescribed amount is deposited in the designated bank account.
